Burden sharing preferences for the global carbon budget (5-Likert)		
Emission share should be in proportion to population*	63 62 59 55 71 55 68 53 65 66 66 62 67	72 65 76 75 73 71 75 71 63

Ellission share shou	id be in proportion to population.	
Countries that have e	emitted more since 1990 should re-	ceive a lower share*

Countries that will be hurt more by CC should receive a higher share\*

Emission share should be in proportion to current emissions
